

Crossfield election taking place fall 2025

Nominations are now open for October's municipal election.

Crossfield residents will go to the polls October 20 to elect positions of mayor (1) and councillors (6).

To run for office, candidates must be at least 18 years old, a Canadian citizen, and a resident of the Town for at least 6 months prior to nomination day. A Notice of Intent must also be filed and nomination process completed.

Full details and nomination packages can be found online on the Town's website as well as picked up from the administrative office at 1005 Ross Street.

Town of Crossfield

Local winter sports clubs band together to take a run at "Kraft Hockeyville," vying for \$250K

Two local youth winter sports clubs are joining forces in an effort to win \$250,000 in arena upgrades to the aging Pete Knight Arena, bring an NHL game to town, and be named "Kraft Hockeyville."

Crossfield Minor Hockey Association and the Crossfield Skating Club have begun their public campaign to rally the community to make this dream a reality. The clubs are asking the residents of Crossfield and the surrounding area to add photos or story submissions on why Kraft should name Crossfield "Hockeyville."

"The entire process takes less than 5 minutes and each submission, photo, note or even adding reactions to other submissions earns us points to make it to the next level," says minor hockey fundraising director Tayla Grochowich.

Another opportunity for residents and supporters to assist is by coming out to "Pack the Pete" on Sunday, January 26 between 4 pm and 6 pm, where professional Edmonton videographer Kyle Tremblay of ProResProductions will be taking footage for a submission video that will include both action clips as well as individual interviews.

Grochowich adds "If you are willing to answer a few questions or be part of the video, come on out! The Pete Knight Arena truly is a Hub in our community from hockey to skating to graduations and everything in between, lets work together to give it the boost it needs!"

Above: The team behind the the construction of the new park signs pose for a photo with their first installation.

New signs constructed for Crossfield parks

New, low-maintenance signs are now being installed in all of the parks around Town replacing the nearly 25-year old wood signs that preceded them. CP Wood Gallery was at the helm of the project having begun

construction late last year after being awarded the contract. The design adds a modern touch that integrates with the downtown revitalization while keeping the natural wood to suit the parks. Springtime will see the signs landscaped and beautified. The signs have been placed at McCaskill, Banta, Murdoch, Walker, Wigle, and Crockett parks. Veterans’ Peace and Amery parks will see signs installed in the coming months.

Don’t let the mild temps fool you... winter is far from over!

IT’S BEEN A MINUTE SINCE WE’VE SEEN MUCH FRESH SNOW. WHEN IT RETURNS, PLEASE BE MINDFUL OF SNOW REMOVAL EFFORTS BY OBEYING SIGNS AND STEERING CLEAR!

Tax Notices

Annual assessment notices will be issued in May. For information, please visit the ‘Assessment and Taxation’ page on our website.

Council Meetings

Council meetings are held on the first and third Tuesday of each month (except for council summer recess held in August).

Upcoming Meetings
February 4 & 18
March 4 & 18
April 1 & 15

Crossfield Community Center
900 Mountain Avenue, 7 p.m.

Council meetings are open to the public and also live streamed on the Town of Crossfield YouTube page.

If you have an item you would like placed on an upcoming agenda, please email town@crossfieldalberta.com with your request.

Utility Rate Increases will be seen on March billing cycle

	OLD RATES		NEW RATES	
Water	Residential & Commercial		Residential & Commercial	
	Flat rate (under 22.7 m ³)	\$53.75 bi-monthly	Flat rate (under 22.7 m ³)	\$57.16 bi-monthly
	Over flat rate	\$3.80/m ³	Over flat rate	\$3.95/m ³
	Industrial		Industrial	
	Flat rate (under 22.7 m ³)	\$67.19 bi-monthly	Flat rate (under 22.7 m ³)	\$70.60 bi-monthly
	Over flat rate	\$4.25/m ³	Over flat rate	\$4.40/m ³
Wastewater	Residential/Commercial:	\$40.31	Residential/Commercial:	\$42.87
	Industrial:	\$63.83	Industrial:	\$67.07
Waste Pick Up	Residential:	\$31.75	Residential:	\$31.75
Recycling	Residential Curbside:	\$20.00	Residential Curbside:	\$20.00
	Commercial/Industrial Depot fee:	\$10.65	Commercial/Industrial Depot Fee:	\$10.65
Paper Bill	\$2.00		\$2.00	
Electronic Bill	Free		Free	

Due to a \$0.15/m3 increase in water rates from the Mountain View Regional Water Services Commission, the bi-monthly utility bills will see an

\$8.26 increase starting March 25, 2025. The minimum residential utility bill has increased to \$151.78 from \$143.52 bi-monthly.

Did you know?

The Town of Crossfield offers e-billing for your utility bills!

You can save \$2.00 per billing cycle by switching to e-bill.

Visit www.crossfieldalberta.com, under Residents - Utilities & click on E-Bill Utility Service Agreement. Once completed, email the agreement to town@crossfieldalberta.com or bring it in person to the Town Office.

YOUR PAPER UTILITY BILL MAY LOOK DIFFERENT THIS MONTH!

An opportunity to save some of your tax dollars!

Due to increased costs in both postal rates and utility stationary, we are opting to discontinue the use of specialty paper for utility bills.

IS YOUR UTILITY BILL HIGHER THAN USUAL?

It could be your toilet.

Take the dye test. It's easy!

- Carefully remove tank cover
- Drop tablet in tank
- Wait several minutes.
- If color appears in the toilet bowl, you have a leak!

Faulty faucets and toilets are a leading source of household leaks.

SILENT BUT DEADLY. DID YOU KNOW...

A leaky toilet can waste as much as **12** bathtubs a day?

Crossfield's Water/Wastewater dept. asking to be cautious with "flushable" items

The Town of Crossfield Water/Wastewater operations department is asking residents to refrain from disposing of items labeled "flushable" such as wipes, feminine hygiene products, and similar items down the drain. Products that are labelled "flushable" are often the cause of major issues within the community's sewer infrastructure, resulting in sewer back-ups into residences as well as getting trapped in the wastewater lift station pumps, pictured below. This often results in costly repairs.

PLEASE HELP US KEEP OUR WASTEWATER SYSTEM WORKING! BEFORE YOU FLUSH: REMEMBER THE THREE P'S

The 3 P's are the only things that should be flushed down the toilet. Everything else should be thrown in the trash. When you flush garbage down the toilet, it can clog your pipes and damage the town's sewer system.

So, what can you do to help protect the sewer system?

- Teach your kids and family members to only flush the three P's
- Keep a garbage can next to your toilet for everything else

Item	Effect on System
Kitty litter, tampons, pads, cotton swabs, cotton pads, hair	Clump together and clog the system
Cleaning products, medication, cigarettes	Contaminate water system, poison aquatic environments, kill good bacteria, increase bacterial resistance to pharmaceuticals
Paper towels, tissues, flushable wipes, baby wipes	Too thick and sturdy to flush. Instead, they build up and cause clogs
Band-Aids, floss, gum, condoms	Not biodegradable. They stick together, stick to other items, and stick to the inside of pipes.

Fats, Oil, and Grease: COOL IT, SCRAPE IT, BIN IT!

Pouring fats, oil, and grease (FOG) down sewage drains also have major negative impacts on our wastewater system. Once poured into a drain, FOGs will cool and clog the pipes that take the wastewater from your home to the wastewater treatment lagoons. Grease buildup can cause serious damage to pipes and lead to sewage back-ups.

CROSSFIELD CHAMBER of COMMERCE

The Crossfield Chamber of Commerce, in partnership with the Town of Crossfield, is excited to announce the Crossfield and Region Career Fair, taking place on March 12, 2025. We are expecting over 750 job seekers, students, and community members to attend this high-impact event, and we invite your business or organization to participate. This event provides a fantastic opportunity for employers and post-secondary institutions to connect with potential future employees and students, even if you're not actively hiring. Whether you want to showcase career opportunities, educate attendees about your industry, or highlight educational programs, this Career Fair is your chance to engage with a motivated audience eager to learn more about careers in our region.

We are expecting a diverse range of attendees, including high school students looking to explore career paths, job seekers searching for new opportunities, and individuals looking to upgrade their skills. Last year, students and job seekers reported that they loved the hands-on, interactive displays set up by employers and post-secondary institutions. We encourage creative, engaging booth ideas that will allow you to showcase your business or training programs in a dynamic and

interactive way.

There are only 40 spots available for businesses and educational institutions, and we encourage you to secure your space early. This is a fantastic chance to gain exposure, educate the community about your organization, and play a vital role in shaping the future workforce of Crossfield and the surrounding region. We look forward to seeing your creative ideas and helping you connect with potential candidates and future students!
